DESCRIBE THE PRESENT AND ORIGINAL (if known) PHYSICAL APPEARANCE

The church stands on the southwesterly side of Williams Road near the intersection of Christie Road east of Cumberland in Allegany County.

The church is a one story frame Gothic structure with three bays along the sides and a center door and two windows on the entrance side (south side). A small open capola with four sided roof sets above the entrance. A cement block basement appears to have been built in recent years. A cornerstone is in the southeast corner of the entrance side.

The building is structurally sound.

STATEMENT OF SIGNIFICANCE

The cornerstone indicates that the Mount Hermon Church was built in 1891. It is typical of rural ecclesiastical architecture found throughout western Maryland.
